-Top-Secret Clearance (Exp. 2019)
-B.A. Psychology
-Eagle Scout

Personal Growth

I would like to learn: ASL, Spanish, guitar, and how to make the web more easily accessible to everyone

Suncoast Developers Guild (SDG)   2018

- An intense and immersive three month code school focusing on training full stack web developers
- The curriculum involved being trained in industry best-practices to produce proficient junior-level developers
- Spent an average of 50-60 hours per week planning and implementing code to complete projects aimed at honing technical skills

Work Experience

EMERGENCY MEDICAL TECHNICIAN(EMT)-BASIC

Americare Ambulance   2017-2018

- Utilized field laptop and cell phone to communicate with emergency services and hospital staff on a daily basis
- Provided urgent and efficient emergency care to critically ill and injured patients
- Conducted rapid patient assessment in order to achieve the greatest patient care

ANALYST/SUPERVISOR

U.S. Army Fort Bragg, NC   2015-2017

- Certified Security Manager for Joint Personnel Access System on a classified system
- Trained as a Special Security Representative and assisted in management of a Top-Secret facility
- Mentored and directed 12 employees in Army career progression leading to 3 earning their promotions

OPERATIONS AND EVENT COORDINATOR

U.S. Army Fort Bragg, NC   2013-2017

- Reorganized project status update procedures so that three other departments could better interpret assigned tasks and increase performance
- Coordinated over 1,800 employees and 50 projects to include movement of personnel, project analysis, and implementation
- Created over 1,000 documents for the organization and coordination of company tasks to a higher echelon of support
